Northern Sacramento Valley Integrated Regional Water Management Plan Final Review

Dear Ms. Newlin:

This letter transmits the Department of Water Resources (DWR) final review of the Northern Sacramento Valley Integrated Regional Water Management (IRWM) Plan. The public comment period on DWR's review of the Northern Sacramento Valley IRWM Plan has closed and no public comments were received. DWR has determined that the Northern Sacramento Valley IRWM Plan is consistent with the IRWM Planning Act and the related IRWM Plan Standards contained in the 2012 IRWM Program Guidelines.

The final review is posted on the following link:

<http://www.water.ca.gov/irwm/grants/prp.cfm>.

If adopted by the Regional Water Management Group and project proponents, by the appropriate dates, the Northern Sacramento Valley IRWM Plan will satisfy the terms of the adopted plan eligibility criteria for the 2014 Drought Solicitation.

To simplify submitting proof of adoption, DWR will compile and track this information and inform DWR grant managers and grant application review teams appropriately. You may submit proof of adoption material as often as necessary. When submitting information, please fill out and the IRWM Plan Adoption Form, found at:

<http://www.water.ca.gov/irwm/grants/resourceslinks.cfm>, along with scanned proof of adoption, and then submit the material directly to Craig Cross at the email address listed below.

If you have any questions, please contact Craig Cross at (916) 651-9204 or Craig.Cross@water.ca.gov

Sincerely,
